### About Fortress Paper

Fortress Paper operates internationally in two distinct business segments: dissolving pulp and security paper products. The Corporation operates its dissolving pulp business at the Fortress Specialty Cellulose Mill located in Canada, which is also in the process of expanding into the renewable energy generation sector with the construction of a cogeneration facility. The Corporation is also seeking to expand its dissolving pulp capacity with the recent acquisition of Fortress Global Cellulose Mill located at Lebel-sur-Quévillon, Québec, which the Corporation is evaluating to convert into a dissolving pulp mill and re-start the cogeneration facility.

The Corporation operates its security paper products business at the Landqart Mill located in Switzerland, where it produces banknote, passport, visa and other brand protection and security papers, and at its high security production and research facility located in Canada, where it manufactures optically variable thin film material.
